9 March 1956

MEMORANDUM FOR LEGISLATIVE COUNSEL

SUBJECT: Congressional Request for Shipping Data

Attached is a list of selected American and foreign shipping periodicals for transmittal to the staff of the House Government Operations Committee, in compliance with their oral request of 29 February 1956. Most of the publications are readily available in libraries in Washington. The Rotterdam shipping journal to which I referred in our conversation with the committee staff members, is the DAGBLAD SCHEEPVAART.
